Report of Principal and School Improvement Council

The mission of Ware Shoals Jr./Sr. High School is ensure continuous learning for all students by empowering them to be actively involved in their education and by providing varied opportunities for successful achievement of high standards. Our vision is to be an integral part of a district that is committed to learning, serving and leading.

Ware Shoals Jr./Sr. High continues to strive for excellence in all areas. Our student athletes excelled not only in the sports arenas, vying for the Upper State Championship in Football and winning the first Region title in basketball in 25years, but also achieving the highest SAT average score in our WPEC consortium. Our Junior High received a Silver Award for the second year in a row and also scored 93.9 % on the 2012 - ESEA / Federal Accountability System.

Our student body continues to serve our community with our annual "Christmas for Kids" fund drive as well as the re-birth of "Farm Day" which highlighted our agricultural department. Our students hosted a District Student Council Rally with two of our students holding state level offices.

At this writing, we are in preparation for an AdvancEd visit in April. All stakeholders, faculty and staff have undergone a rigorous self- assessment and eagerly await validation of our efforts.

The faculty and staff at Ware Shoals Jr/Sr High are dedicated to providing a safe, challenging, and educational environment that meets the unique needs of our students while preparing them to be respectful, productive, and responsible members of a democratic society.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
